**MESSAGE FROM THE CUST BOARD CHAIRMAN**

City University College of Science and Technology, i.e. CUST, is a product of Great Men and strongly believe in Education, Training and Manpower Development as tools that can liberate an individual from the yorks of ignorance and poverty, and instead promote prosperity and wealth creation.

This graduation is a manifestation of the above stated philosophical thinking. Tied to this is the focus and emphasis on high quality associated with all our academic activities. We are never in an unnecessary hurry to generate graduates. Rather, we go through a laborious, detailed and enduring process to ensure that we produce well drilled and highly competent professionals ready to combat and defeat all types of industry turbulence to achieve any set organizational goals.

The various sectors and markets are now going to taste the 'fruit's, who in essence are our graduates.

**THANK YOU.**

**Brig-Gen Dr. Brian Chituwo, MP**  
(GCODS, B.Sc., M.B.Ch.B.Ch.B.,  
M.Sc.(Orthop),. FRCS(Edin), FFCSECA  
**Vice Chancellor**

On behalf of Management, Staff and indeed on my own behalf, I cordinally invite and welcome you all our valued partners to our 1<sup>st</sup> Graduation Ceremony.

This 1<sup>st</sup> Graduation Ceremony is a culmination of years of hard work by the academic, support staff and students. I urge you all to work even harder in years to come.

I, therefore, wish to commend you all for your efforts and commitment. Our focus must be Quality and “**System-based**” Performance based education and training – as provided guided by the High Qualification Authority. I look forward to expansion of programme offered by CUST.
